[Verse 1]

Aku membelakangi surga dan jatuh dari langit
Mungkin aku akan merindukannya selamanya, fatamorgana yang manis
Rasa sakit dalam dagingku, aku bersiap untuk mati
Lebih cepat lagi turun ke bumi seperti meteorit

[Chorus]

Takdirku, datang dan cium aku
Aku terus mengejar perasaan itu

Meski aku hancur, tinggalkan aku
Aku hanya terus mengejar
Mengejar perasaan itu
Mengejar perasaan itu
Mengejar perasaan itu
Hanya itu yang aku tahu, hanya itu yang aku tahu

[Verse 2]

Waktu habis karena tersesat, aku tersesat seperti anak kecil
Aku akhirnya melihat kebenarannya, ya, dan aku merasa sangat hidup
Rasa sakit semakin bertambah di sekujur tubuhku, rasanya seperti terbakar
Meski sedikit sakit, terbakar dan jatuh seperti bintang jatuh

[Chorus]

Takdirku, datang dan cium aku
Aku terus mengejar perasaan itu
Meski aku hancur, tinggalkan aku
Aku hanya terus mengejar
Mengejar perasaan itu
Mengejar perasaan itu
Mengejar perasaan itu
Hanya itu yang aku tahu, hanya itu yang aku tahu

[Post-Chorus]

Aku mengejar
Mengejar
Aku mengejar

[Bridge]

Aku membelakangi surga dan jatuh dari langit

Dan semuanya akan baik-baik saja

[Chorus]

Takdirku, datang dan cium aku
Aku terus mengejar perasaan itu
Meski aku hancur, tinggalkan aku

Aku hanya terus mengejar
Mengejar perasaan itu
Mengejar perasaan itu
Mengejar perasaan itu
Hanya itu yang aku tahu, hanya itu yang aku tahu

[Post-Chorus]

Aku terus mengejar, mengejar
Aku mengejar
Mengejar
Mengejar perasaan itu

[Verse 1]

*Lost on a moonlit night
Summer, one-nine
Thought it would last forever
Never felt more alive
Life was so simple then
A perpetual high
Those days that I knew may be gone
But I won't let them die*

[Chorus]

*Time's a thief that keeps on stealing
I just keep on chasing that feeling
Won't give up, won't stop believing
I just keep on chasing
Chasing that feeling
Chasing that feeling
Chasing that feeling
It's all I know, it's all I know*

[Verse 2]

*Didn't know what I had, did I?
Left it all in the past
Hoping for twice in a lifetime
Is that too much to ask?
Lightning across the sky
Went by in a flash
I'll keep running faster
Chasing one more chance*

[Chorus]

*Time's a thief that keeps on stealing
I just keep on chasing that feeling
Won't give up, won't stop believing
I just keep on chasing
Chasing that feeling
Chasing that feeling
Chasing that feeling
It's all I know, it's all I know*

[Post-Chorus]

*I'm chasing
Chasing
I'm chasing*

[Bridge]

*In my kaleidoscope
Are pressed butterflies
Reminding me I've only one life*

[Chorus]

*Time's a thief that keeps on stealing
I just keep on chasing that feeling
Won't give up, won't stop believing
I just keep on chasing
Chasing that feeling
Chasing that feeling
Chasing that feeling
It's all I know, it's all I know*

[Post-Chorus]

*I keep chasing, chasing
I'm chasing
Chasing
Chasing that feeling*
